SALZBURGER FESTSPIELE
17. Juli – 31. August 2021

Enormous Festival Resonance: 16 TV and Streaming Productions and 24 Radio Recordings

The 'special' 2021 Salzburg Festival was celebrated not only by the audience in Salzburg itself, but also by viewers and listeners all over Europe and the world, on all the ORF channels, on ARTE, NHK, 3sat, Mezzo and on the online platforms ARTE Concert, myfidelio.at and medici.TV as well as in cinemas.

In addition to the two new opera productions of this year's Festival summer, *Don Giovanni* and *Intolleranza 1960*, 14 concerts were recorded audio-visually for **television** and **streaming**: the concerts of the Vienna Philharmonic under Christian Thielemann, Andris Nelsons, Riccardo Muti and Herbert Blomstedt, musicAeterna under Teodor Currentzis, the West-Eastern Divan Orchestra under Daniel Barenboim with Michael Barenboim and Kian Soltani as soloists, as well as solo recitals and song recitals featuring Benjamin Bernheim, Evgeny Kissin, Thomas Zehetmair, Renaud Capuçon & Friends as well as one concert of the Camerata Salzburg and the Monteverdi Choir under John Eliot Gardiner. For the first time, an international audience was able to follow the three finalists' concerts of the Herbert von Karajan Young Conductors Award.

After the great success of the past Festival summer, **ARTE Concert** dedicated a major focus to the Salzburg Festival this summer as well, streaming one new production from Salzburg every Friday, Saturday and Sunday at 7:30 pm on the four weekends in August, reaching people all over Europe.

Commemorating the Festival anniversary, **myfidelio.at** – the streaming platform of **ORF** and **UNITEL** – offered a comprehensive archive featuring more than 180 audio-visual recordings from the Festival's history.

Thanks to UNITEL, the Festival's exclusive audio-visual media partner, and in cooperation with its partners ORF, ZDF, ARTE, 3sat, BR, WDR, HR, NHK as well as medici.TV and Mezzo, the Festival was able to continue its unique recording project during its centenary.

The ORF radio station **Ö1** continues to broadcast from Salzburg this summer with gratifying regularity. Further to the operas *Don Giovanni* and *Intolleranza 1960*, both operas in concert and 20 concerts were transmitted, six of them LIVE. Given these 24 productions, Ö1 can rightfully be called the Salzburg Festival station par excellence. Numerous broadcasts on BR-Klassik are testimony to the special esteem of our neighbours. Thanks to the partners of the European Broadcasting Union (EBU), all recordings were offered worldwide, from Europe to Great Britain, Russia and China. Thus, *Don Giovanni* as well as the Mozart Matinee under Antonello Manacorda will be taken up by 23 radio stations each, reaching 10.2 million listeners each.

SALZBURGER FESTSPIELE **17. Juli – 31. August 2021**

In addition to live cinema broadcasts in Korea, the centenary of the Salzburg Festival has also given rise to a cinema series presenting highlights of the Salzburg Festival in numerous cinemas in Austria, Germany and Switzerland. Under the umbrella brand '**Salzburg at the Cinema**', six opera productions will be shown – for the first time ever – between September and December. Together with UNITEL and the distribution company Nordpolaris, the Salzburg Festival and its series 'Salzburg at the Cinema' offers a broader audience the opportunity to experience world-class opera productions in fascinating closeups and optimum quality.
